

## **Partners Commitment of Care**

This document is to be a written expression of how we would like churches to conduct their relationships with one another. It is not intended to be a legally binding commitment but rather the expression of an ideal we want to aspire to. It also serves to introduce new members and ministries to our ideals as One Church Canada.

### **Heart:**

- As a partnering church, we acknowledge that we are one church throughout the city, knowing that when one rejoices, we all rejoice and when one suffers, we all suffer.
- We are committed to unify the body of Christ in our city, understanding that it is required for the full commanded blessing of God.
- Our heart is to strengthen and encourage local churches, understanding that we are only as strong as our weakest link.
- We recognize that Jesus is the head of the Church and every part is needed in the body of Christ to fulfill His purposes for our city. We acknowledge that we need to work together as local churches to fully advance God's Kingdom purposes in our city.

### **Communication:**

- We are committed to regularly connecting and communicating with each other within His city church.
- We endeavour to sharpen one another in love when we meet so that we can be more effective in our work for the Lord.

### **Action:**

- We will regularly attend pastors' lunches and weekly pastors' prayer calls.
- We will work together as one voice to address city-wide issues.
- We will have a One Church representative give an update on events/activities once a year at our church.
- We will participate in planning meetings for One Church events as we are able.
- We will financially and prayerfully support various One Church activities as the Lord leads.
- We will serve at various One Church events as the Lord leads.
